THE CONFERENCE

The 8th Pan-African Malaria Conference (PAMC) 2024, organized by the Multilateral Initiative on Malaria (MIM) Society in collaboration with the Ministry of Health-Rwanda and the Rwanda Biomedical Center (RBC), will convene global experts to discuss the latest achievements, research and innovations in malaria prevention and treatment.

The conference theme, "Grassroots Mobilization to End Malaria: Invest, Innovate & Integrate," highlights the significance of grassroots efforts, innovation, and research in developing new tools and technologies for malaria control.

The conference is scheduled to take place from April 21-27, 2024, and will provide a platform for researchers, policymakers, and stakeholders to share experiences and insights on addressing Malaria as a critical public health concern.

THE EXHIBITION

The exhibition at the 8th Pan-African Malaria Conference 2024 will provide an opportunity to display the latest products, services and innovations in malaria treatment and prevention.

The conference will bring together more than 2,000 delegates and key stakeholders from around the globe.

WHY YOU SHOULD EXHIBIT:

- Expose your brand or organisation
- Showcase cutting-edge technologies and services to a global audience
- Share your knowledge and expertise.
- Form lasting professional relationships that will advance your organisation or initiatives.
